## **Quorum**

The Annual General Meeting was declared open by the President at 1.00pm upon satisfying the quorum which was deemed in accordance with Article 7.9 of the Constitution.

## **Address by the Principal – Elis Tan**

Mdm Tan was present for a quick introduction and thanked the RSAA for being supportive of the school's efforts.

She recognises that majority of Alumni members are parents and that it is natural they start off as so, in order to be more involved with the school.

She would like to share the programmes they have for the children and asks for Alumni members to play an active role and keep the spirit strong.

## **Address by the Vice Principal – Mr Marvin Chan**

Mr Chan presented key school updates which includes P1 and P2 students do not have to go through weighted assessments.

He also introduced the launch of 7E Innovation protocol, this creates innovative thinking in children with 7 stages of thinking in addressing problems.

There is also the Period Phi within Curriculum white space and has different programmes during each of the 4 terms. The last programme is Passion Based Learning and an opportunity for Alumni members to volunteer a certain interest or skill they wish to share with the students. This is an interest driven programme.

The school will have a passion board for self-driven interest learning for various types of enrichment or activity or opportunities. Students are expected to be proactive and sign up. This is a year long affair.

To help expose students to various occupations, the school has an In-Conversation series, through interview features with Alumni members or parents.

Cross CCA Experience was piloted in Semester 2 2018 and will be rolling out in 2019 This programme aims to expand learning within CCAs, through “taster” of other CCAs during current CCA lull period, allowing students to pick up new skills and informed choices.

Mr Chan emphasized that feedback and support for the school programmes are encouraged. He also touched on the partnership events with the Alumni in 2018. They include sponsorship of the following:

RSAA Colours Awards – That recognises students’ holistic development

RSAA Service Awards – For ex-Rosythdians who continue to help out after graduating

P6 graduation gift – A pen and motivational quotes set as a congratulatory item

Mdm Tan ended the address that the school wishes to provide the message to students that the real world is messy, and opportunities do not come easy. The idea is to create less structure for children to develop decision making.

## **Address by the Alumni President – Ms Leaw Wan Bee Janet**

Ms Leaw did a brief run through of agenda for the day and introduction of the current RSAA members. She thanked those who have served in 2017 to 2018 and hope that most of them can continue to serve.

She highlighted the criteria of the rewards that the Alumni sponsors yearly, which are the RSAA Service Award and RSAA Colours Award.
